## *SUPPORT PLAN 7* *Behaviour/Emotions*

**OUTCOME** Name does not harm herself, or others. Name manages her behaviour.

### ASSESSMENT

- Name is capable of telling their staff team when something is wrong and they needs support
- Name can be very sensitive and they needs re-assurance

### SUPPORT NEEDED

- Name will at times of anxiety, retreat to their room, but will need our support
- Name responds better to some members of staff, and will actively select these to communicate with.
- Name needs their staff team to recognize when things are bothering him and offer support
- Name need their staff team to be patient with their and offer reassurance when they chooses to talk to them about things which may be bothering their
- Name will talk to staff when anxious, this will often start off on something, sometimes appearing to talk as a tangent, but it all has meaning, but eventually they will talk about what is really bothering them.
- Name will speak to their direct support worker, or anyone of our team when distressed

### SPECIFIC OUTCOMES/ ACTIONS TO ACHIEVE

- Name needs you to make clear the reasons for actions to help them
- Help Name understand the reasons for our interventions
- Name's staff steam support them to access the wider community.
- Name's staff steam support them to access the wider community.
- Name if anxious may need to be verbally reassured and redirect their mood
